The weekend "pass" is \$5 (if you are already a CareFlite member, please provide your membership # at registration). With the weekend "pass" should you or one of your family members be required to use their services, CareFlite works with your insurance company to ensure full coverage or if you do not have insurance, would reduce your costs to 50% of what the normal charge would be. You must sign up for the service at the time of registration. If you live in their service area (north TX), you also have the option to sign up for annual membership for your entire family for \$12.
